In this year dedicated to St. Joseph, let us look to the ways we can model his simplicity and humility as a provider and worker in the Lord's workshop. As parishioners of the Catholic Church of St. Monica, we have the opportunity to follow St. Joseph in supporting the work here in our home parish and by assisting our brothers and sisters throughout the Universal Church in fulfilling God's plan for His Church. In 2021, we want to do more than merely financially support our Church; we hope today's commitment will help us better see how the Lord is specifically calling us to a deeper relationship with Him through St. Joseph's intercession...
