

Second Collections July & August 2021

July 4 Building God's Kingdom from Within (Text BGK)

Building God's Kingdom from Within is more than just a capital campaign, it is a call to deeper conversion in worship of God in spirit and truth, physically and spiritually relaying that Jesus is indeed, Truly present here. This interior renovation and beautification of our sanctuary and church will strengthen our communion with the Lord, and evangelize current and future Catholic generations. The space constructed where our parish family joins together has served us well; now it is time to fulfill our original vision by renewing, elevating and glorifying God in this space, which will serve us to be family in life eternal

Mission Cooperative (Text MC)

Every year the Archbishop receives requests for financial assistance from dioceses in developing countries and from religious orders of men and women serving throughout the world. A few requests are also received each year from dioceses in the United States that are in financial crisis. The Archbishop chooses several of these worthy requests from around the world to receive financial assistance. Every year the parishes in the Archdiocese of Atlanta take up a collection for the Mission Cooperative Program. Monies collected during this second collection are combined and then divided among missionaries selected.
