

Questions for Reflection

1. Have you reflected in depth on how God has worked in your life, the arc and procession of your journey? In doing so, can you begin to see the many ways God has been present and active and how this might reflect the liturgy of the Church?
2. Have you explored other forms of liturgical prayer which draw from and point to Holy Mass? How can more of your daily prayer be connected to the rich expressions of the Source and Summit of our Catholic faith?
3. Have you considered exploring the Traditional Latin Mass? Have you been? If so, what was your reaction and if not, why would it be important to experience this?
