Building God's Kingdom from Within (BGK) May 1

Building God's Kingdom from Within is more than just a capital campaign, it is a call to deeper conversion in worship of God in spirit and truth, physically and spiritually relaying that Jesus is indeed, truly present here. This interior renovation and beautification of our sanctuary and church will strengthen our communion with the Lord, and evangelize current and future Catholic generations. The space constructed where our parish family joins together has served us well; now it is time to fulfill our original vision by renewing, elevating and glorifying God in this space, which will serve us to be family in life eternal.

Saint Vincent de Paul SVdP (text SVDP) May 8

Through the SVDP monthly collection, Poor Box and Thrift Store we are able to impact the lives of many families in our area with financial assistance for rent, food, utilities, clothing and many additional financial needs. We closely listen to their problems, offering spiritual support and suggestions for a more sustainable life. Your generosity is appreciated.

Medical Mission (text HMM) May 22

The Medical Mission collection goes primarily toward anything medical including medicines, medical supplies, the cost of support staff such as translators and security during medical missions, etc. But most importantly it helps pay the monthly clinic salaries for our full time staff of one doctor, two nurses, two pharmacy techs, the clinic record keeper, generator maintenance and cleaner. The Whitney Clinic sees 50-60 patients per day or about 1,000 per month.
