Second Collection

Building God's Kingdom from Within August 7 (BGK) - Building God's Kingdom from Within is more than just a capital campaign, it is a call to deeper conversion in worship of God in spirit and truth, physically and spiritually relaying that Jesus is indeed, truly present here. This interior renovation and beautification of our sanctuary and church will strengthen our communion with the Lord, and evangelize current and future Catholic generations. The space constructed where our parish family joins together has served us well; now it is time to fulfill our original vision by renewing, elevating and glorifying God in this space, which will serve us to be family in life eternal.

SVdP August 14 (SVDP) Through the SVDP monthly collection, Poor Box and Thrift Store we are able to impact the lives of many families in our area with financial assistance for rent, food, utilities, clothing and many additional financial needs. We closely listen to their problems, offering spiritual support and suggestions for a more sustainable life. Your generosity is appreciated.

Assumption August 15 (text off)

Haiti Medical Mission August 21 (HMM) collection goes primarily toward anything medical including medicines, medical supplies, the cost of support staff such as translators and security during medical missions, etc. But most importantly it helps pay the monthly clinic salaries for our full time staff of one doctor, two nurses, and two pharmacy techs, the clinic record keeper, generator maintenance, and cleaner. The Whitney Clinic sees 50-60 patients per day or about 1000 per month.

Georgia Bulletin August 28 (Text GaBulletin) The Georgia Bulletin is the Catholic Newspaper of the Archdiocese of Atlanta. It is published on a bi-weekly basis. Parishioners may now choose to receive the traditional newspaper at their home. For more information about the paper, please visit the GA Bulletin website.
