March 5 Building God's Kingdom from Within- Text BGK

Building God's Kingdom from Within is more than just a capital campaign, it is a call to deeper conversion in worship of God in spirit and truth, physically and spiritually relaying that Jesus is indeed, truly present here. This interior renovation and beautification of our sanctuary and church will strengthen our communion with the Lord, and evangelize current and future Catholic generations. The space constructed where our parish family joins together has served us well; now it is time to fulfill our original vision by renewing, elevating and glorifying God in this space, which will serve us to be family in life eternal.

March 12 SVdP Text SVDP

Through the SVDP monthly envelope collection, Poor Box and Thrift Store we are able to impact the lives of many families in our area with financial assistance for rent, food, utilities, clothing and many additional financial needs. We closely listen to their problems, offering spiritual support and suggestions for a more sustainable life. Your generosity is appreciated.
