Medical Mission (HMM) February 23

The Medical Mission collection goes primarily toward anything medical including medicines, medical supplies, the cost of support staff such as translators and security during medical missions, etc. However, most importantly it helps pay the monthly clinic salaries for our full time staff of one doctor, two nurses, two pharmacy techs, the clinic record keeper, generator maintenance and cleaner. The Whitney Clinic sees 50-60 patients per day or about 1000 per month. It should be noted that these two collections, taken several times per year, do not come close to covering the yearly amount needed and is the reason for the Hope for Haiti Fundraiser each yet.
