

August Second Collections 2026

St. Vincent de Paul (SVDP) August 8

Through the St. Vincent de Paul monthly collection, poor box and thrift store we can impact the lives of many in our area with financial assistance for rent, food, utilities, clothing and many additional financial needs. We closely listen to their problems and offer spiritual support and solutions for a more sustainable life.

Medical Mission (HMM) August 15

This collection goes primarily toward anything medical including medicines, medical supplies, the cost of support staff such as translators and security during medical missions, etc. But most importantly it helps pay the monthly clinic salaries for our full time staff of one doctor, two nurses, and two pharmacy techs, the clinic record keeper, generator maintenance, and cleaner. The Whitney Clinic sees 50-60 patients per day or about 1,000 per month.
